**RE:** Brady List Request, July 5, 2019

Dear Mr. Rubins:

The Office of the District Attorney has located records in response your July 5, 2019 public records request. Specifically, you asked for a copy of our Office's Brady List concerning records about law enforcement officers in our county. We will not provide any information to you from our Brady List as the information is exempt from disclosure, as set forth below.

Records that contain attorney work product material are exempt from disclosure. (Code Civ. Proc., § 2018.030; Pen. Code, § 1054.6.) Information derived or contained in investigatory records is not subject to disclosure. (Gov. Code, § 6254(f).) Records that contain information protected by the deliberative process and official information privileges are also exempt from disclosure. (Gov. Code, § 6254(k); Evidence Code, §§ 1040, 1042.) Personnel information and information protected by the right to privacy are also exempt from disclosure. (Gov. Code, § 6254(c).) The compelling public interest in maintaining the confidentiality of this information greatly outweighs any public interest in disclosure. Please further note that the enactment of Senate Bill 1421 does not impact these exemptions.

Respectfully,

A handwritten signature in black ink, appearing to read "S. Alonso", is written over a light blue horizontal line.
